Re: WARN Act Announcement of Planned Closure

Dear (employee name):

I am writing on behalf of the Board of Trustees of Greenwood Leflore Hospital to provide you with this additional notice pursuant to the provisions of The Worker Adjustment and Retraining Notification (WARN) Act. GLH previously provided you with WARN Act notice on April 13, 2026, which told you that we anticipated ceasing operations and terminating your employment effective June 15, 2026. The previous notice was based on the best information available to GLH at the time the notice was given.

We have continued to monitor hospital operations and financial performance, including projected cash reserves. As a result, GLH is providing this notice as an addendum to the April 13, 2026 notice. Considering the best information available at this time, GLH now expects that it will cease operations and close all facilities on July 31, 2026. Such closure is expected to be permanent and will affect all employees. The closure will result in the termination of your employment effective July 31, 2026.

Employees of Greenwood Leflore Hospital are not part of a labor union, and Greenwood Leflore Hospital does not have a job bumping system. Therefore, you do not have any bumping rights.

This notice is required to be sent to you under the provisions of the Worker Adjustment and Retraining Notification (WARN) Act.

For further information, you may contact any of the following individuals:

Dawne Holmes, Chief Financial Officer and Acting Administrator

Key Britt, Vice President Administration

Jacquelyn Brownlow, Chief Nursing Officer

Sincerely,

Key Britt
VP of Administrative Services
